Jerome F Buting

Illusion of Justice Jerome F Buting boken PDF

Interweaving his account of the Steven Avery trial at the heart of *Making a Murderer* with other high profile cases from his criminal defense career, attorney Jerome F. Buting explains the flaws in Americas criminal justice system and lays out a provocative, persuasive blue-print for reform. Over his career, Jerome F. Buting has spent hundreds of hours in courtrooms representing defendants in criminal trials. When he agreed to join Dean Strang as co-counsel for the defense in *Steven A. Avery vs. State of Wisconsin*, he knew a tough fight lay ahead. But, as he reveals in *Illusion of Justice*, no-one could have predicted just how tough and twisted that fight would beor that it would become the center of the documentary *Making a Murderer*, which made Steven Avery and Brendan Dassey household names and thrust Buting into the spotlight. Butings powerful, riveting boots-on-the-ground narrative of Averys and Dasseys cases becomes a springboard to examine the shaky integrity of law enforcement and justice in the United States, which Buting has witnessed firsthand for more than 35 years. From his early career as a public defender to his success overturning wrongful convictions working with the Innocence Project, his story provides a compelling

expert view into the high-stakes arena of criminal defense law; the difficulties of forensic science; and a horrifying reality of biased interrogations, coerced or false confessions, faulty eyewitness testimony, official misconduct, and more. Combining narrative reportage with critical commentary and personal reflection, Buting explores his professional and personal motivations, career-defining cases including his shocking fifteen-year-long fight to clear the name of another man wrongly accused and convicted of murder and what must happen if our broken system is to be saved. Taking a place beside Just Mercy and The New Jim Crow, Illusion of Justice is a tour-de-force from a relentless and eloquent advocate for justice who is determined to fulfill his professional responsibility and, in the face of overwhelming odds, make America's judicial system work as it is designed to do.
